SALE OR LEASING OF UPCYCLED BARRELS

Times change, and solutions evolve.

We've been rethinking barrel management for over 20 years, with a direct presence in six countries, offer a smarter, more flexible way forward by prioritizing the use of barrels over ownership.

Our solutions are designed to meet the evolving needs of producers: combining economic performance with environmental responsibility. Through our leasing programs and carefully curated selections of used barrels, we support your aging goals with agility, precision, and long-term value.

01

RECYCLING 100% OF BARRELS

We ensure the collection and repurposing of your barrels at the end of their life cycle, with one commitment: 100% of the barrels collected are recycled.

02

EXTEND YOUR BARRELS' LIFESPAN

H&A creates a bridge between the wine and spirits worlds to add value to barrels and ensure their optimal lifespan.

03

MAXIMIZE THE VALUE OF YOUR BARRELS

H&A adds value to your barrels by ensuring traceability, optimization, quality, and respect for the wood you have chosen.

04

CIRCULAR ECONOMY

H&A adopts a leasing model focused on the economy of functionality, promoting the use of barrels.
